

ABN Assistant™

We'll be the [Medical Necessity] Experts, so you don't have to be.™

Validate medical necessity and print a fully completed Medicare compliant ABN form in under a minute.

Medical necessity denials cost providers thousands to millions of dollars every year in write-offs, plus costly staff time researching and appealing denials and responding to patient concerns. With **ABN Assistant™**, staff can validate medical necessity, print Medicare-compliant ABNs with estimated cost, and stop over 90% of medical necessity denials.

What's included?

- NCDs and LCDs for your region
- Comprehensive utilization and physician profile reporting tools, payor policy details, and links to policies including fully HIPAA-compliant access auditing
- Special warnings for frequency and inpatient-only restrictions
- Estimated costs from your chargemaster
- Full-color user manuals, help screens, and unlimited support
- ActiveNotes™, CodeTips™, and SmartSearch™, plus a full suite of encoder tools
- Facility and user-specific favorites
- Alias and SmartSearch™ utilities assist non-coders
- Certified data files for CPSI, MediTech, Epic, Fletcher-Flora FFlex eSuite, LabPak, Iatrics MNO and LAB e-Laborate
- Supports coding education
